President's Report

Thank you everyone for attending today's AGM here at the PPS depot / office.

I would like to start by thanking the outgoing executive committee members for their help over the last year especially in my absence for the last 7 months for running this association and helping organising these events.

Our outgoing Treasurer Mark Swanbury has put in a huge effort for his 24 month term and I thank him for the tireless work that he has undertaken often behind the scenes, in keeping the association's finances on track. I do hope that he will continue this work for another term.

It is the enthusiasm and dedication of these members that is often taken for granted in keeping our branch running.

Thank you to our supporting contractors and suppliers. Your support is very much appreciated. I ask all members that if you are in need of a service or product, please contact our supporting companies and at least ask for a quotation I am sure they will always be happy to help you.
